**SETTLEMENT COMMUNICATION**

As discussed. Governments' calculation for ICP costs for spur lines --

Box CD ICP for UPRR line = \$150,000 for seven miles  
= \$21,429 / mile

Assuming 3% inflation rate from 1995 to 2009 = \$32,413 / mile

x 13 miles of spur lines scheduled for remediation under EE/CA = **\$421,369.**
